CENTURY 21 EPIC Valley of the Moon
6580 Oakmont Drive
Santa Rosa, CA 95409

Beautifully updated Juniper on large owner-maintained lot. When owners bought in 2007, they replaced the roof, furnace, air conditioner, popcorn ceilings, crown molding, recessed lighting, insulation in attic, pull-out drawers in kitchen, and 200 amp service in electrical panel. They installed a lovely deck with a detached pergola complete with ceiling fan and skylights, which increases your outdoor entertaining space. Updated bathrooms, granite counters in kitchen with custom cabinets and Viking range. Ample space on side yard for gardening, and shed in back yard for storing tools. Oakmont is a 55+ active adult community with swimming, golf, tennis, hiking, and much more in the heart of Sonoma county's wine country.
